

Product Information ST-A.21.04

AVIA ATF 236.15

Description	A very high graded, very low viscosity automatic transmission fluid based on special selected synthetic base oils, with a high viscosity index and a number of selected additives to obtain the following properties: <ul style="list-style-type: none">- important contribution fuel economy- excellent lubrication- very good resistance against oxidation and a very high thermal stability- excellent and very stable friction characteristics that enable longer oil-replacement intervals- excellent resistance against foaming- excellent protection against wear- a very high and stable viscosity index- dark blue coloured	
Application	This premium synthetic product is specially formulated for the lubrication of the latest generation of automatic 7G-Tronic Plus transmissions from Mercedes-Benz for which an oil with the specification MB 236.15 is required. This oil contributes considerably to the realization of fuel saving.	
Specifications	Performance level MB 236.15	
Typicals	Density at 15 °C, kg/l	0,835
	Viscosity 40 °C, mm ² /s	18,80
	Viscosity 100 °C, mm ² /s	4,40
	Viscosity Index	150
	Flash Point COC, °C	188
	Pour Point, °C	-57
	The above figures are typical of those obtained with normal production batch, they are not a technical specification, due to continuous development of the product, they may change.	
Packaging	1L,4L,20L,206L	
Storage	All packages should be stored under a roof. If they are stored in the open air where they can be exposed to atmospheric conditions - rain, they should be placed in a horizontal position, so as to prevent ingress of water and prevent the destruction of marking, it is best to use canvas.	

Health, Occupational Health and Safety, Environment

Safety information is included in the Safety Data Sheet (SDS Safety Data Sheet). It contains detailed information on the potential hazards, precautions and First Aid measures, together with information on the impact on the environment and the disposal of used products. UNIMOT S.A. AVIA POLSKA and cooperating companies do not take responsibility for the consequences of improper product use or non-use of the precautions. Before using the product for purposes other than those listed, please consult your local UNIMOT S.A. AVIA POLSKA office.
