

Product Information ST-A.21.06

AVIA ATF 9G

Description A very high graded, extremely low-viscosity automatic transmission fluid based on special selected synthetic base oils, with a high viscosity index and a number of selected additives to obtain the following properties:

- excellent contribution to fuel economy
- excellent lubrication
- very good resistance against oxidation
- very good thermal stability
- excellent and very stable friction characteristics
- excellent resistance against corrosion and foaming
- excellent protection against wear
- a very high and stable viscosity index

Application This premium synthetic product is specially formulated for the lubrication of certain Mercedes-Benz automatic transmissions with 9 gears. This oil contributes significantly to realizing fuel saving and can be used in automatic transmissions where an oil with the specification MB 236.17 is prescribed.

Specifications Performance level
MB 236.17

Typicals	Density at 15 °C, kg/l	0,835
	Viscosity 40 °C, mm ² /s	17,10
	Viscosity 100 °C, mm ² /s	4,23
	Viscosity Index	161
	Flash Point COC, °C	174
	Pour Point, °C	-57

The above figures are typical of those obtained with normal production batch, they are not a technical specification, due to continuous development of the product, they may change.

Packaging 1L,4L,20L,206L

Storage All packages should be stored under a roof. If they are stored in the open air where they can be exposed to atmospheric conditions - rain, they should be placed in a horizontal position, so as to prevent ingress of water and prevent the destruction of marking, it is best to use canvas.

Health, Occupational Health and Safety, Environment

Safety information is included in the Safety Data Sheet (SDS Safety Data Sheet). It contains detailed information on the potential hazards, precautions and First Aid measures, together with information on the impact on the environment and the disposal of used products. UNIMOT S.A. AVIA POLSKA and cooperating companies do not take responsibility for the consequences of improper product use or non-use of the precautions. Before using the product for purposes other than those listed, please consult your local UNIMOT S.A. AVIA POLSKA office.
